

OUR MISSION IS SIMPLE.

SAVE LIVES AND CELEBRATE LIFE. **EVERY SINGLE DAY.**

The American Cancer Society is the nationwide, community-based, voluntary health organization dedicated to eliminating cancer as a major health problem by preventing cancer, saving lives, and diminishing suffering from cancer, through research, education, advocacy, and service.

Progress in the war against cancer has triggered a **29% decline in U.S. deaths over the past two decades**, *but we can't stop there.*

Over 1.8 million new cancer cases are expected to be diagnosed in the US in 2020, and more than 606,520 Americans will lose their battle - *that's over 1,600 people a day.* The American Cancer Society is committed to changing these devastating odds.

Today we ask you to join us as a united force against all cancers through your participation in the *Digital Portland Hope Gala on November 14, 2020.*

GENEROSITY KEEPS US GOING

Over the past 100 years, the American Cancer Society has been working relentlessly to end cancer. We're not there yet, but with the help of our donors, we've made some incredible progress. Breakthrough research. Free lodging near treatment. A 24/7/365 live helpline. Rides to treatment. This is far from a complete list, but it makes one thing clear. When it comes to cancer, we are the only organization attacking from every angle.
